REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

A review of applicants' arguments in amendment filed on May 19, 2004 and a review of the instant amended claims has convinced the examiner that the claims are allowable over the applied prior art of record. The prior art fails to each or suggest the claimed coil of stamps having a backing layer applied to the adhesive layer only if the stamp is within an area adjacent to the inner end of the coil and no backing layer applied if the stamp is within not so adjacent to the inner end of the coil. Also, no evidentiary support could be provided to support the position that the claimed invention would have been obvious to one having ordinary skill in the art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nasser Ahmad whose telephone number is 571-272-1487. The examiner can normally be reached on 7:30 AM to 5:00 PM, and on alternate Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Harold Pyon can be reached on 571-272-1498. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
